

DIRECTIONS

1. On the front flap check the program that best fits your needs.
2. Complete the application on the back-side. Give your best estimate of income for the last month or average for the last 3 months.
3. **Do not leave any questions blank** – write "0" if it does not apply.
4. Sign and date your applications.
5. Fold this flap over, tape, attach any bills and return it in the mail or drop off in the office.

If you are applying for General Assistance you must provide a copy of the current bill you want considered for reimbursement. If you are requesting rent assistance you must provide a signed statement from your landlord of what you owe and their mailing address.

If you are applying for any other program a meeting will be scheduled to assess your needs before a final decision is made.
